hobbies & interests

I have been in Arizona since late 2016 and I love all the valley has to offer from the beautiful views to sporting events to the plethora of winter festivals. I'm very passionate about Web Development and Design. I'm a really in to both technology and art; a quality user interface combines both of those elements.

The 3 traits I take most pride in are:

1. Sense of humor and personality
2. Ability to make human connections with people easily
3. Hard work ethic and belief in self
